A glimpse into the soul of

OUR HOUSE

Welcome to Tagore House-a name that echoes greatness, courage, and vision. Named in honor of our eternal guru, Rabindranath Tagore, this house is not just a tribute, but a living embodiment of his ideals. At the heart of our journey lies his timeless mantra:

“Where the mind is without fear and the head is held high.”

We are the *Tigers* - bold, relentless, and fiercely driven. In every competition, in every challenge, we step forward with courage in our hearts and excellence in our stride. Tagore House isn't just about winning-it's about rising. We inspire our members to think freely, act bravely, and lead with conviction.

Under the dynamic leadership of *two fierce tigresses-our House Incharge and Vice Incharge*- we are guided with wisdom, strength, and unstoppable energy. Alongside them, a passionate team of teachers mentors us in every step, turning our vision into victories.

At Tagore House, we don't just participate-we dominate. We don't just compete we conquer. From academics to sports, from arts to innovation,

our spirit remains unshaken and our goals,
limitless.

This is more than a house. This is a movement. A
mindset. A roar that refuses to be silenced.

*We are Tagore. We are Tigers. And we are here to
lead.*

HOUSE CLUBS

fueling passion, building leaders

ELECTORAL LITERARY CLUB

The Electoral Literary Club is a platform for bold ideas, critical thinking, and fearless expression. Rooted in the values of democracy and the power of words, we empower students to speak with

clarity, write with purpose, and lead with conviction.

Through debates, creative writing, speeches, and mock elections, members grow into articulate, informed, and progressive thinkers-ready to shape tomorrow's world.

Join us where thoughts meet action. Here, every voice matters. Every idea leads.

ECO CLUB

The Eco Club is a dynamic group of students working to protect the planet and promote conscious, compassionate living. From green campaigns to clean-up drives, we lead by action.

This year, we're taking a bold step forward by launching an initiative on menstrual health awareness and providing eco-friendly sanitary pads

to women in rural and remote areas-because true sustainability includes dignity and equality.

One planet. One purpose. One voice for change.

TAGORE HOUSE

Where the mind is without fear, and the head is held high...

Our new flag is a vibrant symbol of the spirit of our house. It honors the legacy of our great inspiration,

Gurudev Rabindranath Tagore, and proudly represents our different clubs for the session 2025-26. We've also woven into its design some of Tagore's most iconic works – a tribute to his incredible artistry and vision.

With this flag, we also embrace a new motto, drawn from the timeless words of Gitanjali:

“Where the mind is without fear and the head is held high.”

This quote reminds us to dream fearlessly, to think freely, and to walk forward with pride and courage.

OUR HOUSE SONG

Lyrics - Mrs. Veena Rawat.

Composition - Mr. Biju Hazarika.

“Yeh lamhe humein rahe yaad, rahe hum saath”-

"May these moments stay with us, may we always walk together."

Our new house song speaks of togetherness, dreams, and courage.

It reminds us that the moments we share today will stay with us forever - memories of unity and friendship.

It inspires us to dream together, to work hand in hand, and to overcome every challenge without fear.

It calls on us to live every moment fully, to keep moving forward without hesitation, and to believe that in the end, our spirit and unity will lead us to victory.

This song becomes our anthem - a celebration of our bond, our dreams, and our unwavering spirit.
